# YARDLEY SECURITIES LIMITED
## TWO-FACTOR (2FA) AUTHENTICATION USER GUIDE

Set up 2FA Authentication

1. Download and install **Google Authenticator** from

   Play Store (https://play.google.com/store/apps/details?id=com.google.android.apps.authenticator2) for Android device, and;

   iTunes App Store for iPhone.

2. If you haven't turned on 2-Step Verification for your Google account, go to the **2-Step Verification** setting page

   (https://support.google.com/accounts/answer/185839?hl=en&ref_topic=2954345) to activate.

3. Open the hyperlink we provided to you through an email (Subject: Yardley Securities Ltd - Two-factor Authentication). Once

   you clicked through the link, you will see a page similar to the following:

4. Launch **Google Authenticator** from your mobile.

5. Click the "**+**" icon.

6. Select "**Scan barcode**" to scan the 2FA QR code (as shown in 3) to install the software token.
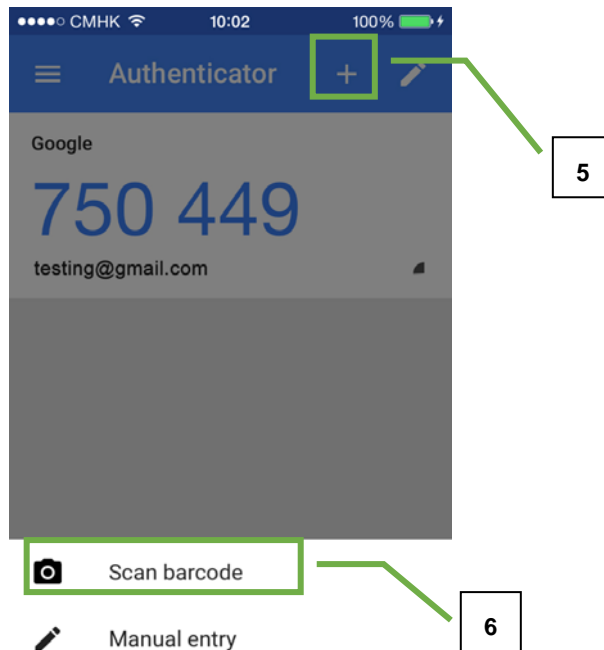

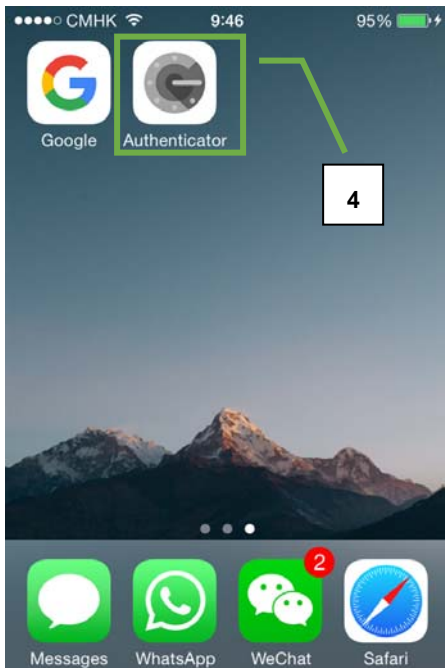

YARDLEY SECURITIES LIMITED

7. After you have successfully installed the software token, you will get a new One-Time Password generated every 30 seconds from **Google Authenticator**.

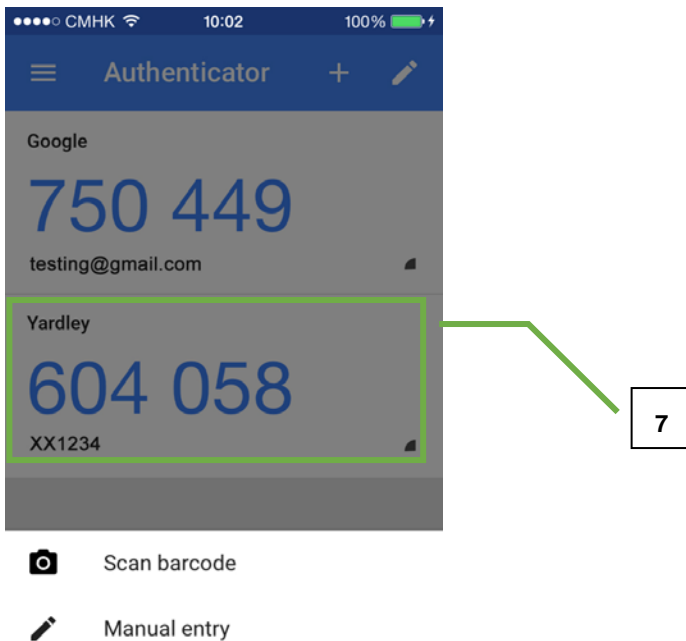

Sign in with 2FA Authentication

1. Go to https://www.i-ysl.com to access the Internet Trading platform.
2. Enter **USER ID** AND **PASSWORD** as usual for the first authentication.
3. Enter the One-Time password generated from **Google Authenticator** in the field **2FA SECURITY CODE** for the second authentication.
4. Click the "LOG IN" button to complete the authentication process.
